

## **SPONSORSHIP DETAILS FOR SPORTS TEAMS.**

There are two types of sports groups that need funds. One is the adults (19+) and the other is minor sports. We do help both, but in different ways. As we are an adult facility it would be up to the parents to engage in activities and fund raisers for their children's fund raising needs.

### **The Banquet Hall (Starlight Room)**

The hall is a great source of revenue for teams. You can hold any number of functions here. The most popular is the Dinner Dance.

#### **SAMPLE:**

You sell 100 tickets at \$30 each = \$3000

We provide a FULL buffet meal at 50% off

We provide Bar Staff to make the evening work

You have access to the Stage, Equipment, Audio visual, Dance floor, Lighting etc.

You can bring in a band, DJ or Ipod music

There is NO CHARGE for the room

You can do raffles or reverse draws that could make \$1000 in a room of 100

Net result is you had a fun evening and you made \$2500 ??? (Less Donation \* )

\* In the case of adult teams you MUST donate 10% of your take to our minor sports fund. You may designate which team we are to direct the money to provided it is a team on the North Shore. (We help you and together we help the kids)

The above sample is only once a year ... imagine 2 or 3 ???

If your numbers are less than 100 then the size of the buffet is adjusted.

The banquet hall can also be used for: Poker nights; T.V. Sports etc.

There are obviously rules of conduct and some restrictions on the type of event that can be held. No event can take place without all the details being approved by the Eagles Club

You can only sell tickets to friends and family and NOT the General Public. You are responsible for the behavior of every person who is present at your event and 'if' there were any damage caused it would result in full compensation to the Eagles Club from the proceeds of your event.

### **The Lounge/Games Room/Private Social Room**

Here is where you can make ongoing revenue for your team and have a great place to go that you would be proud to call it your 'club house'.

Money earning scenarios:

You can have a Darts, Pool or shuffle board tournament where you charge the entrants and pay out a portion of the money you take in. You keep all the money

Every time you come in to the club you will see the various 'offers' to teams regarding rebates etc. For instance:

Real Home-Cooked Authentic 16" Pizza is \$2 per slice and we give you 100% of the money back. (10 people, once a week = \$1000 per year)

Burger and Jumbo Hot Dog Nights. Special items at special prices and we give you 50% of all your purchases.

Every time you visit the club, even if you are here on your own, with partner or as a group we will credit 10% of all food purchased and 10% of all beverage purchases

Our point of sale computer keeps track of all your team's purchases and we will print a statement for you on a monthly basis and the Eagles Club will write you a check.

There are minimum number requirements to some of the offers.

As we are a Member's club, one person from your group has to join. That 'Member' can now sign the rest of the group in as guests.

Remember, at all times you are responsible for the behavior of all members of your team/group. Any unacceptable behavior in or around the Eagles Club premises will cause all offers to be terminated and the cessation of any revenues .... NO Exceptions.
